OOPS. No room here. Guess I'll write a sideways note.

(919) 684-2957

Hi folks--(things are getting a bit crowded...) Thanks to Pat & Josh at DOLPHIN for their help w/the Tommy Keene interview/giveaways. And a zillion apologies to Glen Workman & the rest of OFF THE WALL for the clerical error on last few playlists...and now, thoroughly discredited and permanently embarrassed, I'll get back to work.
Regards,
Ann Kim, Acting MD
